

CCFEW, South Etobicoke Skateboarders Association, Friends of Sam Smith Park Lakeshore Planning Council and New Toronto Good Neighbours are agreed:

- **In SEPTEMBER 2006:** The City of Toronto plans to build a \$2.5 million dollar Skateboard Facility and Skating Track in Colonel Sam Smith Park, in the field south of the Power House.
- Does a skateboard park belong in one of our city's few naturalized green spaces, among wetlands, open meadows, wildlife habitats, and secluded trails?
- We were promised a competition class skate board facility. That's not what has been designed.
- **Our community deserves an OPEN AND TRANSPARENT PUBLIC CONSULTATION to achieve the best design and location of a \$2.5M skate park. Let's find a solution that works for our community!**

WE NEED YOUR SUPPORT!
